OCTOBER EVENTS

- >October 27-Regular Meeting; Acropolis Resturant;
6:30pm
- >November 10-Regular Dinner Meeting: Acropolis Resturant;
6:30pm

Our program for the dinner meeting is Dr. Alta Schrock. She will be speaking about the history and future of the Penn Alps project which she was so intrumental in founding. We look forward to the program and the chance to hear Dr. Schrock.

While it may have slipped by some of the readers of the Newsletter, in the last edition there was a MAJOR mistake. Over the years of doing the newsletter this may be the first mistake, but it was a pip! In the information announcing the program for Charter Night it noted that this would be our 43rd charter night. Any knowing Frostburg Lion is aware that this is the error. This is our 48th charter night. Two to go and we hit the 50. Let's hope that the editor of the newsletter for that anniversary is not asleep at the word processor!

Coming up in Novemer is one of our better fund raising efforts, the Pie Sale. Information for this project will be available soon.

We are picking up the cannisters with the donated eyeglasses that have been placed around town. Depending on the volume of glasses we may have to have a quick workshop to sort and separate the glasses. We will keep you posted.
