Club News

Again, due to the Christmas Holidays we will meeting once this month. As is our custom this will be the Steak Dinner. Hosting the group will be the Deuels. We will be meeting at their home on 64 W. College Ave. beginning at 6:30PM. Cost of the meal should be around \$8.00 a

person. This depends on how much the group drinks! (That's a joke.)

Arrangements are being made for several speakers to address our club early in the new year. One of those speakers will be Dr. Jonthan Gibraltar, President of FSU. Dr. Gibraltar will be sharing his goals for the college in the years to come.

We expect him to address the club later in Februrary.

Other speakers will be: Tony Crosby on 1/10. Tony will speak on the Hefer Project. This program attempts to address the hunger problems of the poor with long term solutions. Mark Castro on January

24th, will make a presentation on mercury contamination in fresh water fish in the Savage River.

District News

Zone meeting will be held on February 28th at the Acropolis Restaurant. Our club will be the host for this meeting.
